CHANCE TO HOST FOREIGN EXCHANGE STUDENT

There is a young man from Japan currently attending Mt. Pleasant High School as a foreign exchange student. Since he arrived about 10 days ago, his host family's situation has changed, and they are unable to continue as his host family.

International Fellowship is offering this hosting opportunity so he might continue his stay in our community. Anyone interested in details should call Vicky at 1-800-647-8839.

International Fellowship, Inc., a non-profit organization, offers exchange student opportunities for secondary school students who wish to experience the adventure of living in a foreign land, learning about its people, traditions, and language.

Since its founding in 1952, International Fellowship has been committed to supporting efforts for the advancement of moral and ethical standards in all aspects of life. International Fellowship has been promoting world peace and understanding through thousands of teen-age ambassadors who, over the years, have represented their countries in foreign lands.

International Fellowship works closely with secondary schools, both here and abroad, that support our philosophy, "Through Knowledge and Friendship Come Understanding and Goodwill."
